Media Fact Sheet

About IAMAT

- We are a non-profit organization that keeps travellers healthy.
- We help travellers plan a healthy trip by providing up-to-date information about health risks and immunizations for all countries.
- We award travel medicine scholarships to doctors and nurses from Africa.
- We are a registered charity in Canada and the USA. All donations support programs that keep travellers healthy.

Our members

- Anyone can become an IAMAT member.
- Membership is free for the first year and renewable with a donation.
- The majority of our members are American and Canadian travellers.
- Typical travel styles include independent leisure, visiting friends and relatives, cruise, adventure/expedition, and resort/tour group.

Topics we cover

- Travel vaccines (including Rabies, Yellow Fever, Hepatitis A, Typhoid, Tick-Borne Encephalitis)
- Pre-travel health planning
- Post-travel health concerns
- Travel health insurance
- What to do if you fall ill abroad
- Infectious diseases (including Malaria, Schistosomiasis, and Chagas)
- Insect bite prevention
- Travel and mental health
- Older travellers
- Personalized travel health advice
